PUBLIC COMPLAINTS
(Complaint or Concern to the Board)

Complaint or Concern Initiated by: Allen & Joanna Gullion
Address: 717 S. Mulberry
City: Maryville State: MO Zip code: 64468 Telephone: 562-0057
Complainant Represents: ☒ Himself/Herself ☐ Student ☐ Organization (specify):

What is your complaint? Use full names, dates and exact occurrences, if appropriate. Attach additional pages if necessary. It's about the book "Word Nerd" by Susan Nielson that is at the Middle School Library for kids to check out. This book was new at the school this past school year "08/09". We feel this book is inappropriate because of the content, language, & the way this 12 year old boy expresses himself which we find to be vulgar.

Check the levels of school administrative units with whom you have discussed this complaint:

☒ Teacher/Staff Member ☐ Principal ☐ Department Director ☒ Superintendent/Designee
☐ Other (specify):

What response have you received from these different administrative levels? Mrs. Dempsey feels this book is good & that it's about a 12 year old boy that is just expressing how he really feels. Mrs. Miller has followed all policies by sending me forms like this to fill out.

What action would you like the Board to take? We feel that the best thing would be for this book or books to be removed or restricted to certain age students. This book we feel is not good for an 11 yr. old to read.

The Board reserves the right to defer and redirect complaints that have not been investigated to the appropriate administrative level(s).

Note: The reader is encouraged to review policies and/or procedures for related information in this administrative area.
